**FREE LESBIANS ON DEMAND!**

*If you had  
urgent need  
of girl-girl  
entertain-  
ment, you  
couldn't find  
two better  
talents than  
Kagney and  
Faye!*

"Where do you want us to meet you, sir?"

Can you imagine? Free lesbians on demand! You order them up through your Internet connection and they show up wherever you say and give you an exciting show...gratis! Not a webcam thing that you shell out money for, but an honest-to-goodness freebie! Like a sexual soup kitchen for one and all. What a concept. It should be worked into the Constitution. Maybe one of these fast-talking politicians can write the bill.

So if you had your choice of sapphic superstars, maybe you'd pick porn babes like blonde Kagney Linn Karter and her carrot-topped pal, Faye Reagan. You'd say, "Meet me in Suite 6969 at the Fritz-Fuckleton Hotel!" And you'd show up in the room and there they would be, all dolled up in lacy lingerie and pearls and stockings, and you'd sit down in a corner and take out your dick and say, "Showtime, girls!"

Of course, with the jizz-movie credits they each have under their garter belts, like Kagney's "Superhero Sex Therapist" and Faye's "Cougars Love Kittens," you'd be guaranteed of a boner-blasting show! They might be doing all the licking and poking themselves, and you'd be off in a chair stroking with your pants around your ankles, but they would be sure to include you into the scene by continually looking over at you and making sure you liked what you saw. They'd urge you to cup your balls and tug your dick while they did something especially nasty like cram their cunnies with toys as they exploded in sapphic ecstasies.

Really, why can't the government provide us entertainment like this? Bread and circuses were fine for ancient Rome, but in today's ultra-sophisticated sex-saturated media environment, we should get something far more up-to-date! Free lesbian shows on demand! Write your congressman!!

*Although they wouldn't let you touch them during the free show, you could get in close while stroking off, and smell the sharp heat of their pussies!*

*Sometimes it's best just to let ladies do their own thing, while you show your support with an admiring wank!*

## I MADE MY WIFE A LESBIAN

I always suspected my wife Rachel had lesbian desires, but that she was too uptight to admit it. And her general uptightness made our marriage a drag, and eventually my eye began to wander. I decided I would leave Rachel, but before I did I wanted to make sure that she would be on the right road with her pussy. That was the least I could do while I was still her husband.

I began to open her up in small ways at first. I got her a subscription to the Victoria's Secret catalog, telling her she would look good in some of the fashions. But my real reason was to get her to contemplate beautiful women. And she did, when she thought I wasn't watching. One night I caught her playing with herself while she leafed through the catalog. She thought I was on the other side of our apartment. I watched her moan as her fingers moved under her skirt and she exploded while looking at pictures of beauties in bikinis.

Next I told Rachel that although I knew she would never do it in real life, it would be fun to fantasize having another girl in bed with us. At first she accused me of being bored with her, but I told her that wasn't the case. Eventually she agreed to my experiment. With my vivid imagination I described to Rachel every last detail of the fantasy women we would share in our bed. I put word pictures into Rachel's mind of the way the girls would look as Rachel would caress their breasts and cup their pussies. Whenever I would fuck Rachel, I would tell her to imagine a pretty girl's pussy on her face. Soon Rachel was having the most intense orgasms of her life from these imaginary threeways. She was addicted to my chatter. She even recorded it

once so that she could replay it when I was-

It was only a matter of time before I was able to convince Rachel that we should try a threeway with a girl for real. I told her I would even sit off to the side and watch them do each other first. Rachel laughed nervously at my suggestion, but I knew she took it seriously. She had me masturbate her and tell her what kind of girl I would like to see her with for her first time. And then we went online to craigslist and found ourselves a female.

Months of my slow verbal indoctrination had gotten Rachel thoroughly ready. When the girl, whose name was Andrea, met us, Rachel looked almost weak with desire. She could barely finish her drink. We were staying

me to leave the room. "I have to make up for lost time," she said. "You've shown me who I am, Doug, and I'm grateful, but don't rush me. There's too much to try and understand. Go downstairs to the bar! Have a drink! Join us later."

"No, Rachel, let me join you. I beg you!"

"No, you can't join us. But if you must, you can watch and make yourself cum."

"Rachel, why are you so mean to me now?"

"Mean? I'm just being me. The hidden me you brought out."

I sunk to the carpeted floor. I watched Rachel finger and kiss Andrea. I saw Andrea latch onto my wife's breasts. They were so near, yet so far. What had I done to myself? I no longer had any desire for any other

woman. I wanted to stay with the new Rachel! I wanted to see the ways she would grow, the kinky things she would desire to do! But maybe for the time being I would have to settle for jerking off...

So be it. As my wife came on the mouth of her first lesbian lover, I shot all over my hands.—Doug, Cleveland OH

at a hotel, and we took Andrea to our room as soon as we could.

I sat in a chair while Andrea undressed Rachel. Suddenly I saw my wife in a new light, like a different person. We had agreed I would sit off to the side, many feet away, until Rachel was ready for me to join them. I got naked and stroked myself, but I suddenly I was impatient, even jealous. Andrea was going to take Rachel away from me, this uninhibited new wife I had created from the old repressed one! I watched with arousal and anxiety as the two of them kissed and sucked and caressed each other. Rachel's face in another girl's pussy was the hottest thing I had ever seen. Suddenly I realized I didn't want to leave Rachel anymore. I wanted to be with her in this wild new life!

Rachel made Andrea cum. I went to join in, but Rachel pushed me away. In fact she told

a good time at the party my friends threw for me at the dorm. Guys and girls were drinking and smoking and dancing. I got carried away because twenty-one was a big deal and I drank more than I usually do. And Leila who was in my chem lab and the sweetest girl said she would help me back to my room when it really seemed like it was my time to quit the vodka and go to bed.

I was dizzy and couldn't stand straight, but I felt sexy too at the same time. My body was loose and out-of-control. I said to Leila that she should help me get out of my clothes because I didn't think I could open a single button. And she laughed and said I could sleep in my clothes. I told her that was silly and I would wake up with a stiff neck and she should give me a hand.

Leila was nice enough to take off everything for me and put me on the bed. So there I was

## BIRTHDAY GIRL'S LIVING BLANKET

It was my twenty-first birthday at college and we were all having such

naked in front of Leila. My titties and my pussy and my feet and my tush. Since I fell down onto the bed it was a little difficult to get me under the covers. Leila gave up and was about to go but I said (I swear I remember): "Leila, I'm cold being naked! Lay down on top of me."

Well Leila knew what I was up to. I was a sneaky twenty-one-year old birthday girl. "Okay, sweetie," she said, "I'll cover you all right," and she took off all her clothes and lay down on top of me. Oh, her body felt nice. "See? I'll be your blanket," she said, and it was the bestest blanket I ever had, because it moved and touched and kissed me. I looked up and there was Leila's face and she was smiling. Then she was licking my cheek and her nipples were in my mouth soon. And she played with my pussy which felt like it had syrup inside. I came so good and so fast and then Leila lay back down over me like the good blanket she was and ground herself against me and came on my thigh. Then she managed to pull the real covers up and over us and we went to sleep.

Wow. That happened nine years ago, but I still think about it and wish I could live it over again. And again.—Danielle, Oakland CA

## WELCOME, STRIPPER!

An exotic dancer moved into the building where I live, and she flaunted a flamboyant sluttiness from the very first day. On a few of her boxes were decals showing her in a skimpy costume and boasting of her giant DD breasts. I was appalled. I am a business executive, and as such I've fought to break through the glass ceiling that has kept us women down for so long. Generally, I don't like women who not only play stereotyped roles but advertise them. Little did I suspect I would make an exception in this case...

I was home from work that day because I had personal matters to attend to. I saw the

movers carrying in Miss Ima Slutt's stuff, and I noted her tight clothes and shook my head in disgust. I admit that's not her real name, or even her stage name, but I want to give you my accurate first impression of her appearance.

After the move was complete, Miss Slutt invited the movers in for a drink. The door closed behind them and when things grew quiet I suspected the worst. I went up to the

door and listened in, and sure enough, I could hear the sounds of sex. She was giving herself to the movers!

I hurried back to my apartment. When I heard her door open, I looked out, and sure enough the men were coming out with the satisfied grins that males have when they've "scored big."

After they left, I went to give her a piece of my mind. I knocked briskly but was not ready for what I saw: Miss Slutt in a filmy nightie. "Oh, you're the lady who lives down the hall," she said sweetly. "Come in and have a seat!"

I was nervous. I could see every bit of Miss Slutt's body through that nightie. And then she took the nightie off! "Are you the welcoming committee?" she said, coming close to me, her giant breasts inches from my eyes. "I want to make friends with everybody here! I'm so glad this building has welcomed me into its bosom."

Bosom? I thought. Did she actually use the word "bosom"?

She smiled. It was such a friendly, innocent smile, like she wasn't naked.

"You are...unusual," I said.

"You'll get used to me."

She moved closer. I didn't stop her, because—well, because I don't just fight the glass ceiling in the business world. I fight it in the sexual world, too! A woman must be free like a man to pursue the erotic opportunities that present themselves.

Miss Slutt pressed her bosom against my face, and in moments I was sucking her nipples and grabbing her close by the waist.

"Slow down, sweetie," she said.

"They invented bedrooms for what you have in mind!"

We worked our way through her apartment, cluttered with boxes, and Miss Slutt undressed me every step of the way. When we got to the bedroom, we slid to the floor. We kissed madly, and I played with her enormous breasts, and she sucked on my normal-sized ones.

I saw a used condom on the carpet. She had sexed the movers on the floor too!

I'd been with women before but never a stripper. She turned out to be the most fantastic bisexual experience I've ever had. I couldn't stop playing with her breasts or eating her vagina or kissing her sweet skin. Even though she was also a little sweaty from her busy moving day, she tasted wonderful. We made love for two hours. I pressed my face between her thighs and wouldn't stop eating until she pushed me away after three orgasms. Then I came when she licked me in turn.

"Welcome to the Whipple Arms!" I said, hugging her close as I left.

Next week I'm nominating her to the board of our tenants' committee!—Minerva, New York City

# VALLEY OF THE

By Penny Antine

**O**n the fifth of June, 2010, at approximately 5:30 in the afternoon a 34 year old man sat precariously close to the edge of a cliff, his heart pounding wildly as he frantically contemplated his options, which were few. He could give himself up to the ten or more SWAT officers who had surrounded him in a seven hour standoff. If he did he would surely get life in prison, maybe even the death penalty. He could try to kill himself with the Samurai sword he clutched in his right hand but the sword was so very long....

It was reported that one of the officers shot off a mild taser in his direction but no one knew if it hit him or not. Once the taser was fired some of the SWAT officers moved cautiously toward him. You can see it on

YouTube...somebody filmed the whole ugly mess. The man sees the officers inching toward him and turns. With a rush of adrenalin, fight or flight kicks in. He couldn't fight; even with his sword he was outnumbered. Scooting on his butt he slides to the edge, his legs and sword hanging briefly over the cliff; then, as if to fly, he simply pushes off—and down he goes, his body bouncing off a rocky ledge before it hits bottom.

His name was Stephen Clancy Hill aka Steve Driver, and though the press billed him as a porn star he was never a star, not even close. He was a porn wannabe, a loser with a record and a history of violence, a miniscule player on the fringes of porn, almost invisible, barely tolerated, living temporarily in the production facilities owned by Ultima DVD, a company specializing in films of ballbusting and female

domination. Driver had performed in some of their movies and tried to make himself useful, pick up a few bucks here and there. But he was a strange guy and Ultima fired him, wanted him out. He was to vacate their premises by June second.

On Tuesday night, June first, Steve Driver went postal. One can easily imagine why he snapped. Homeless. No job, no money. Cast out of the world he so desperately wanted to belong to. He grabbed a samurai sword used as a prop and attacked several of the staff working there that night.

In another room, Tom Dong, perhaps Driver's only friend, heard the screams and ran to help his co-workers. Steve Driver drove the samurai sword through Tom Dong's abdomen, killing him and injuring others before he fled the scene.

# MOPEs

*When Steve Driver killed Tom Dong with a Samuri sword before dramatically committing suicide, every news story identified both murderer and victim as porn stars. Nope... they were just mopes.*

"Steve Driver was your classic mope," said director Jim Powers. Mope? I had worked in the porn industry for twenty-five years and had only recently heard the word. What the hell was a mope? "The true mope," he went on, "is a guy that is constantly trying to become talent but is totally incapable of it. Maybe his body's not in good shape or his penis doesn't get hard, he can't act or he's just truly annoying. Steve Driver hung out in all the porn places, went to all the parties, all the events. He'd come around the girls, showing them Polaroids he took of them...anything he could to somehow be on the fringe of this industry."

According to Powers, Bukkakes spawned the mope industry. Wikipedia describes Bukkake as a sexual practice that features a person being ejaculated on by several men.

Powers took it to new heights with *American Bukkake 4* in which he had eighty-three men jacking off on the youthful faces of several porn stars. Where do you find eighty-three men who will do this? You place an ad on the web and they come leaping out of the woodwork, elbowing their way through the crowd to take a number and stand in line. Jim Powers specializes in pushing the envelope, from *Gag Factor* (rough deep throating) *Fuck a Fan* and *Anal Cum Swappers* to zombies, midgets and even more weird shit. He's master of the bukkake, gokkun (swallowing semen of several men), blow bang, gang bang and then some. (After one of the many times he shot at my house I found condoms on the tools in my garage. Must have been a trippy night for my hammer, screwdriver and broom.)

"Mopes were always around in amateur stuff," he said, "but when we started shooting a massive amount of bukkakes for the internet, this was a guaranteed way for these guys to make money. Performance wasn't an issue. All they had to do was come in and beat off, and most of those guys were even terrible at that. But the mopes thought, 'Now I'm a professional and I can make money as a porn star.'"

Porno Dan of Immoral Productions concurs. "Mopes are guys who desire or wish to be full time porn studs. They are called 'mopes' because they mope around or look sad and depressed when they are on a porn set. Most will also work as drivers, production assistants or anything else possible just so they can be around porn." Given the current state of the adult industry, there are fewer

opportunities for talent, both male and female. Mopes will do bukkakes, gang bangs, blow bangs, fem-dom, whatever they can get. They make from \$50 to \$150 per shoot. At best they work twice a week. "The King of the Mopes would be Eric John," Dan declares. "He does more work of this type than anyone and actually makes a living doing it. He is by far and away the most successful of the mopes and does at least five to ten scenes of this nature a week."

The intelligent and intense Eric John balked when he heard of his reputation, insisting he was certainly not a mope much less their king. He resented being lumped into that category just because he does group scenes for the money. "What should I say? No, I'll only do features? I'll make a thousand dollars once a month and no money other than that? I think blow bangs are fun as hell! It's the easiest thing to do. For me, it's just a stop I make in the morning on my way to do an actual scene."

**T**here are different categories in the porn industry: feature talent, group talent, gonzo talent. Eric John does it all. "I've done extreme gonzo for Jim Powers and I've also been in 40 to 50 features." He pulls a DVD from his case—*Seinfeld: A XXX Parody*—in which he played the Kramer character, Crammer, whacky hair and all. Among his many credits are *This Ain't Beverly Hills 90210 XXX*, *This Ain't Happy Days XXX 2*, *Gag Factor 30*, *American Gokkun 11*, and *50 Guy Cream Pie 8*. This oeuvre is a far cry from his former career as an upper level executive at Boeing.

Yes, Boeing. A graduate of M.I.T. with a rocket engineering degree and a minor in music, John was hired as a sophomore by Hughes Aircraft in '89, moved up the corporate ladder at Hughes and continued his climb after Boeing bought Hughes in '98. He was still an executive with Boeing when he started his adult film company Erotique Entertainment in '04 and finally left when he went adult full time in 2006. By then he had learned still photography and video well enough to incorporate those skills in his new career. "I was always artistic. Even in college I debated whether to do an artistic thing like music or the engineering thing. But pragmatically, engineering was guaranteed money at the time, and I figured if I worked hard and made a lot of money, I could do what I wanted later on."

Jim Powers agrees, "Eric John is not a mope. People call Eric John for work. That alone makes him not a mope. He's not Evan Stone. You don't call him to carry your movie. But if you need a good guy to play a sidekick role or something like that, he'll do a very good job."

Okay, so the King of Mopes was not a mope after all but he had much to say about them. "Tom Dong was a mope, he fit dead center in that category. He was a quiet guy who pretty much stayed in the background, but he worked a lot and I respect the fact that he knocked himself out doing all the things he did."

Tom Dong. Real name: Herbert Hin Wong, the 30 year old Asian man who took the brunt of Steve Driver's rage that night in June and lost his life trying to save the other staffers at Ultima. Ironically, both Driver and Dong were living at Ultima Studios at the time, though Dong performed actual jobs there (cinematographer and actor of *Ballbusting Pornstars*, blogger, editor and webmaster of *Armpit Girls*). Driver and Dong appeared in at least six movies together including *Brutal Femdom Cuckolding*, *Cuckold Abuse*, *Femdom Humiliation 1*, and *Cum Fart Tsunami 2*.

A number of directors suggested nine or ten guys who might have worked with Driver and Dong who might be mopes themselves, guys who could throw some light on the subject.

Colin Celtic, trim at age 38 as when he was in the Navy, found his way into porn in 2004 through a friend who was in the business. He began as a driver, running porn stars to and from their various shoots when he wasn't working his regular job as a finish carpenter, a job that

demands precision and artistry. When the economy soured, his job went belly-up so he began performing. "I started with bukkake. A bukkake is like an audition to see if you can even do this, be in this business. It can be distracting to be in a room with a lot of other guys and one girl, so I learned to focus on one object. There are lots of guys around but I don't see the guys. I focus on my target and I just do what I do, y'know? I've done about 12 bukkakes, 8 to 10 blow bangs, 20 to 25 gang bangs."

Any straight sex scenes? "I did this one boy-girl but my girl had a hangover plus she had vaginal issues." Politicians are afforded more second chances than porn stars.

Celtic knew both Steve Driver and Tom Dong. "Steve was a very strange guy...I felt like he wasn't all there. I was P.A. (production assistant) on a shoot with Jim Powers, and Steve Driver was there. He was bizarre...into swords and knives. Like, everybody there was on the same page but he wasn't. And Tom Dong was the nicest guy you'd ever meet, a genuine, sincere guy. He never did anything to hurt anybody in his whole life. I really loved this guy. He stood for something. He had a good name. He would have been very successful and was just getting the ball rolling for himself. Unfortunately, he couldn't get laid."

On the question of mopes Celtic said: "I think the mopes are the guys that come in for one scene, guys that answer an ad. Every swinging dick in America wants to be a porn star. These guys aren't part of the industry. Sometimes they wear masks or bandanas on their faces, or even a Groucho Marx thing with glasses and nose and moustache. The guy could be a businessman, an attorney or might have a family. This is a lark for that person, a fantasy fulfilled. Jack off on a beautiful girl in a bukkake, get a blow job from a porn star. Just get an AIDS test and come on down. They're doing this on the sly, they're oddballs. It's like this undercover thing. They're just trying to bust their nuts on some porn star. It's like an epic experience for them. These guys are not like me. Me, I want people to see my face. The guys who do disguises, those are the mopes."

Jim Powers doesn't think so. "The guys that just want to come jack off in a bukkake, those guys are not mopes. The mopes are the guys that are really trying, but the mopes don't realize they're mopes. They think the other guys are mopes. Some guys have come in through the mope ranks, starting in bukkakes, and have come up to be serious male talent."

**E**ric John thinks there might be levels of mopes, the lowest being the guys who come in once or twice for the thrill of it, the next level being the fringe people, the guys who are really trying to be male talent. "And then there's a layer on top of that, the guys who are actually moving up...they've got an agent, they're starting to do boy/girl scenes. It's not the Adult Video News Award level where you're recognized, but it's also not the civilian level."

Tucker Slain, a young musician originally from Kentucky, found his way into porn through an ad on the internet. "I looked on Craigslist and I found this ad that said average guys that wanted to perform in porn could apply, so I did. I sent my pictures in, got my test. They said they'd give me two hundred dollars if I could do it. The movie was called *Fuck Team 5*, and it's where average guys who don't perform in porn are portrayed being picked up off the street by porn stars. I worked with three women, Penny Flame, Krissy Lynn and Bridgette B. I knew absolutely nothing about how to perform in a porn scene, but I did the scene. I carried it, I rocked it.

"I've done gang bangs, blow bangs, bukkakes...I think the group stuff is actually harder to do and prefer performing standard boy/girl scenes. In a group scene you have one girl and you might have thirty to fifty guys in a room all waiting for their turn to either fuck her or get their dick sucked or maybe just jack off and pop in her face. Whatever

the scene calls for. I describe it as performing the most natural act in the world in the most unnatural way possible. I use Viagra as most of the guys do because sometimes the girl you're working with is not your type and you're there to do a job. If you can't perform, it pisses everyone off. So male talent, until he's experienced, in order to be one hundred percent sure that he can perform, has to take Viagra. In the days before Viagra, I can't imagine how those guys did it. Mark Davis, Peter North, those are the true professionals."

Most days Tucker Slain works for a cable company installing cable, satellite dishes, home theater. "It's a reliable source of income," he says. "Now more than ever, porn is one of the more unreliable incomes. I also drive. There's about six or seven girls on a semi-regular rotation that I'm always driving, and that is more reliable cash money on a daily basis than performing in scenes." Slain first did driver duty when, as a fuel technician, he drove a fuel truck in Germany for the U.S. Air Force. "I'm a personal assistant for girls and do production assistant when I'm on the set." He considers himself a rock star in the making—and he also does porn. "I'm anything but a one trick pony."

**J**ordan Lane fell into porn in 2007 during a brief affair with Adult film actress Alisandra Monroe. As a competitive body-builder he held many titles along the Eastern Seaboard in the mid '90s and won the Mr. West Virginia (his home state) title at NPC West Virginia Cup in 1994. After three years as a police officer, he entered college on an academic and athletic scholarship and graduated in 1999. Later, he moved to Los Angeles to study journalism with an eye toward writing about electoral politics. Then he met Alisandra Monroe.

Lane started out performing boy/girl scenes in features, including the award winning Vivid production, *Throat: A Cautionary Tale*, starring Sasha Grey. But using steroids and pumping himself up again had a negative effect on his porn career. "Two things," he said, "my body is too big and my penis is too small. A big body makes your penis look smaller. And if you're real big you block the entire girl, you shadow her, and they don't like that. And being tanned and veiny. They don't like that either. So if that's what you are, then you're in the blow job circuit and your career is in the shitter. Walmart's hiring. I'm not even good enough for the blow bangs. I did *Granny Gang Bang 58*, and when I was done I wanted to go home, take a hot bath and slit my wrists." He coughed out a self-deprecating laugh. "It's not what I had in mind for my life." He paused a moment and his eyes, the same blue as the pool, fixed on...what? The tiki totem in this San Fernando Valley tropical paradise backyard? The bamboo wall? The row of banana trees?

"I'm a mope," he continued, qualifying the statement. "I don't do bukkakes because I don't like doing them and I don't need the hundred bucks that much. However, I will do a 75 dollar gang bang. Don't ask for my logic or reasoning. A guy like me, I'm good for one solid boy/girl scene a week, but that doesn't pay the bills, so I do filler stuff. I did a bukkake once. I thought it was a gang bang but it turned out to be a bukkake. I was like the last guy to pop. Bukkake guys are usually laborers, the blue collar crowd. They disgust me. I work all the time, but these guys creep me out...guys with dirty socks just whacking their little carrots. Yeah, I'm a mope and I know all the other mopes. A lot of the mopes, they're sex addicts, that's why they're in the business. I'm different. I have to take Viagra to get it up. And I have a girlfriend. This separates me from the other mopes."

Lane pauses thoughtfully once again. "I don't want to be creepy. I'm thirty-eight and balding. I'm working with eighteen, nineteen-year-old girls. They don't want to be with me, they want to be with a young guy, and to them I'm just a creepy old guy. I hate doing these blow bangs. I don't like doing a scene where there's another man's penis in the scene...but I need to keep the money coming in."

Aside from performing he also directs a variety of scenes for various

internet companies such as Public Violations (which features porn performers having sex in public parks, parking lots, wherever they can pull it off without being caught). "People in L.A. are so different. A guy will see you shooting a scene in public and he'll walk up behind you to just watch what's going on. He won't say anything, he won't call the police. People do nothing when they see public sex in L.A."

Another line involves Sharking videos. Sharking is an act in which a guy, usually wearing a hood/mask, sneaks up behind a woman in public and pulls her top down, or yanks up her skirt and pulls down her panties, then runs away. Now staged for profit, a man with a camera is stationed nearby to catch the action, then compilation clips are put on the web. "I wouldn't have made it back in the '70s or '80s or '90s," Lane said, "but with the internet you can be an absolute nobody—I'm an absolute nobody—and I *still* get recognized. I go back home and people say to me, 'I saw you doing this disgusting thing on the internet.'" He laughs.

About Steve Driver and Tom Dong: "I knew both of them," he said. "Tom was a guy that everybody liked. Steve...I don't want to trample on anybody's grave, but Steve was a creep. He would show me Polaroids of himself doing these girls...I didn't want to see him effing those girls. He was a nice looking guy with a good cock but he was just a creepy weirdo."

He sighs, a sound heavy with the burden of disappointment. "I'm just one step above Craigslist. It's a circuit of men with no work. We don't negotiate. We'll work for a couple hundred bucks. I'm quiet. Responsible. I'll help them clean the set, make myself useful. I'm one of the good guys..."

**E**ric John, the King of Mopes who wasn't a mope, made some cogent points: "The girls have categories, too. You're clearly an A-list girl or you're on the level below that or the level below that. And you can see when a girl breaks through the levels and moves up. Everyone knows who's not really into it, everyone knows who's not attractive enough. It's not any different except there aren't any group scenes for girls and there's no name for them like there is for the mopes."

"I'm uncomfortable with terms that put people down. Every industry needs those people. You couldn't have a group scene without those guys. They help out by being a driver and working on set as a P.A. or being an assistant and running around doing a million things that need to be done. A whole portion of the business is based on those people. What bothers me is that the lines are blurred between somebody who just comes in to jack off on a girl and somebody actually working in the business."

So now I know what a mope is. I've met a lot of them over the years and thought most were pretty cool guys.

One final piece of irony from what has been called "The Porno Valley Machete Murder": Steve Driver and Tom Dong appeared on two box covers together. The first was *Cuckold Abuse and Femdom Humiliation Volume 1*, a product of Ultima DVD. It became a collector's item. The second is a compilation of scenes featuring both Driver and Dong, assembled after the murder by director Mike Ramone, available from Robert Hill Releasing. On the box cover both Driver and Dong wear masks, and Driver holds the samurai sword. Between them are the words "HE KILLED HIM" with arrows pointing to each performer. This epic piece is titled "*PORNO SAMURAI KILLER*".

*Under the nom-de-porn Raven Touchstone, the author is an Adult Video News Hall of Famer, recipient of 29 Best Screenplay nominations and winner of six such awards. She has written more than 400 produced porn films. A photographer as well as writer, she took the individual "mope portraits".*

# Where cocktail waitresses go lezzie!

## ISLAND OF THE BOTTLE TRAMPS

New York's bottle club waitresses peddle over-priced booze to free-spending well-heeled suckers. Called "bottle tramps" by the more cynical, most of these women obviously have come to terms with their sleazy ability to get men to part with ridiculous, obscene amounts of money.

However, some of the bottle tramps have developed at least a temporary aversion to males as a result of seeing them act like fools and knuckleheads, throwing around dough especially during a recession when the ostentatious display of wealth is rather distasteful. And these women, at least for the duration of their employment in the bottle clubs, prefer only the company of their own sex. Our Best of Club science staff labels this in the clinical hierarchy of female homosexuality as "centrifugal sapphism," in that the ladies are propelled away with centrifugal force by their aversion to silly cock-bearing persons and fly instead into the arms of their co-vaginists.

Fly indeed is the operative term in this instance for Britney, Lulu, Anita and Dominika as they find solace in their juicy slits on a Caribbean hideaway that has become known as the "Island of the Bottle Tramps" because women are only permitted to visit if they work as cocktail waitresses in bottle clubs and seek the sexual company of their colleagues.

Sitting on faces, lapping at labia, tonguing pussies and sucking titties are the recreational activities at this hidden resort (nary a shuffleboard in sight), which is staffed completely by women from concierges to chefs to custodians. Not a single dick is in view either, so the bottle tramps will not be unpleasantly jarred back into the reality of the strange male world where they make their livings.

Oh, and all drinks on the Island of the Bottle Tramps are happily included in the package price of their stay!

# *Done-with-Dong Dykes Go...* By Irv O. Neil **BACK TO THE CRACK!**

**T**hey're at it again, thought Zeb Morehaus, listening through the paper-thin walls of his bedroom to his next door neighbors, those two crazy little vixens Nona Binx and Lona Latcher. They were probably playing with that big sex toy they'd ordered, and it must be buzzing right up against their nasty little pussies. Young girls today. No blushing old-style femininity for them, but just a constant search for thrills to make their crotches explode!

Zeb put his ear against the wall. It was near midnight and he was just about to go to bed himself. He could make out Nona's moans and groans as the toy no doubt was pressed up against her vulva and sending vibrations from her clit to her nipples and out of her throat. Zeb was sixty-two, and nineteen year old girls back in his day did not play with toys like that. Hell, most nineteen year old girls during his young manhood didn't even live in off-campus apartments on their own like these two, supported by their parents in this independent lifestyle while they went to college! And females of his era certainly didn't order vibrators and dildos online (of course there was no "online" then) and display them happily and naughtily to their older male neighbor—

whom Nona teasingly dubbed "Uncle" Zeb (though he was not related) because she thought he was so cute and cuddly and wise! But Nona and Lona said they were through with men, because their boyfriends had treated them badly, and now they were going "back to the crack" forever, and would stick to sleeping with each other.

Zeb tried to explain that they shouldn't judge all men by the thoughtless actions of their callow ex-boyfriends, but Nona and Lona were caught up in

their spirit of rebellion and kissed each other right in front of Zeb to shock him out of his pants! Well, what they did accomplish was to get him to go into his apartment and take out his willie and jerk off to the thought of those two lezzing up a storm. Which they were also doing right now, here at midnight, and so he lay down on his bed in his pajamas and took out his dong and began to stroke.

Those girls were zany, not because they were eating each other, but because they lived on impulse and loved to rebel just for the sake of it! He wanted to help them get their lives together, but on the other hand as long as they acted so wildly, he got inspired for some fine jerk-off sessions. Just as Nona exploded in gasps and cries next door, Zeb's cum flew across his belly and he sighed with satisfaction. Soon, he dozed off.

"Well, maybe we should have stuck with cracks and avoided cocks," said Lona. She took out her strap-on. "Now this is a dong I can live with! Just look at it!"

"Did you see how Uncle Zeb's eyes popped out when you walked down the hall with it after opening the box?"

"I wanted to give him a cheap thrill. His life is kinda bleak, right? Working in the administration building of Hindenburg College. A paper-pusher. He needs excitement."

"Oh, he's a nice guy," said Nona, taking the strap-on and rubbing it with her fingers. "He was trying to tell me the

"You think Uncle Zeb was listening to us?" said Nona. "I know he was home tonight. He was watching some old movie on cable. I could hear it."

Lona put down the humongous vibrator that had just made her girlfriend writhe and cum. "The way you talk so much about that old man, I think you like him or something."

"He means well. I wouldn't go to bed with him or anything. Gross! I'm undickly now, just like you are."

Nona and Lona thought it was a fun and happy coincidence that their names should sound so similar. In a strange way, it determined the odd development of their friendship when they met at Hindenburg College in Ohio. They enrolled in the same classes, and they wore the same clothes. They even went out with similar looking boys. They were nicknamed the Mirror Chicks on campus. Well, they had a certain chemistry together as friends, so the tag suited them fine.

All through their first year at school, they dated two guys who, although their names were not similar as Nona's and Lona's were, resembled each other. When second year started, they were still seeing these guys, but when they found out the guys were also cheating with other girls, they dumped them the same night at the same time. Kicked both those boys out on their butts! Lona was far more angry about it than Nona, though, and for the first time it seemed to Nona as if they weren't quite the Mirror Chicks they'd been first year.

"I'm through with dongs...I mean, dongs made of flesh," said Lona. "We're going back to the crack and staying there."

"Back to the crack?" said Nona. "You make it sound like our boyfriends were just a **break** in our lesbian lives. We only made it twice together, Lona, and both times we were kinda drunk."

other day that we shouldn't judge all men by our boyfriends, those tools."

"Yeah, I heard that speech too, remember? He's probably trying to convert you back to cock, and to one cock in particular. His old wrinkly one."

"I don't think cock gets wrinkled in old age, but maybe the balls."

"Well, here's one cock that won't wrinkle. Come on, Nona, hook up the strap-on for me. I like to watch you make me ready to fuck your ass!"

"All right, you'll be in my ass in a minute."

Nona noticed something in this lesbian relationship of theirs: Lona was the leader. And she was doing most of...the doing. She enjoyed making Nona cum, that's what got her off. And she liked putting the dildo in Nona's butt more than in her pussy. For a girl who talked trash about men so much, Lona sure liked to do the nasty things the nastiest boys preferred.

"Come on, suck my cock!" said Lona, rubbing it against Nona's face.

Did you wash it clean from last time?"

"Yes, you fussy little thing. I sterilized it. Now suck!"

Lona enjoyed seeing her friend blow the plastic cock. She only wished she could feel Nona's lips on a real cock of her own. Well, that was just a silly fantasy, having her own dick. It was thrill enough to see Nona blowing her strap-on.

It was also thrilling for Lona the way they were wearing the same stockings and neckties and even had the same little barbells in their tongues. Lona found all this mirror stuff very erotic. They looked alike, yet they didn't take the same roles. Lona led, and Nona followed. Nona would probably have been content to go looking for another boyfriend, but Lona convinced her otherwise. "It's back to the crack, back to the crack!" she said, maybe a thousand times in the dreary days after they broke up with their boyfriends. And Nona went along with it.

Lona took a big glob of lube from the tube they kept at the bedside, and she rubbed it all over Nona's buttocks. She loved girl ass, she realized that more everyday. She'd have to keep Nona away from that Uncle Zeb, he might end up convincing Nona to give dickly persons another try! That would not make Lona happy. Lona was, she realized, exclusively lesbian. So much for the "Mirror Chicks," because she wasn't sure if Nona was all gay, or could be...

"Oh your hot little ass," said Lona, positioning the head of the dildo at Nona's rosebud. "This ass is made to be fucked...by me, you little gay bitch! You'll always be my gay bitch, right?"

"Ohhh yessss," groaned Nona as the dildo sunk into her butt.

"Together forever, and never apart!" said Lona, thrusting her pelvis forward and penetrating deep. It was funny how she could get so hot when the strap-on barely even affected her clit, but she did. She was fucking her friend Nona. What could be better? Nothing! And from the sound of Nona's moans, it would seem that she agreed.

Zeb Morehaus had fallen asleep, but was suddenly awakened when the bed of his neighbors began to shake and bang against the wall. Ah, he thought, I bet one of those feisty wenches is using that strap-on, probably Lona. He'd jerked off after she'd paraded in the hallway with it, teasing him, acting like he was all dried up and wouldn't be affected by such a spectacle. Well, she was wrong.

Young girls these days had no respect for older men. Older men wanting young women was regarded as a joke now, thanks to the feminist revolution that put males in second place. But women's lib was probably the best sales pitch for prostitution ever, because what men couldn't find in real life,

they sought in warehouses and paid good money for. Zeb certainly did, driving into the big metropolis which wasn't far from Hindenburg College. Oh yeah, Zeb got plenty of nineteen and twenty year old girls to pleasure his peter. Whacking off to his uninhibited neighbors was only the frosting on his horny cake. And they probably thought this was the only thrill he got...because he figured they'd already guessed he was beating off to them.

peaking of which, he figured he might get one more good load out of the girls' session tonight, so he threw off the covers off and began to pull it.

Nona climbed on top of Lona's jutting strap-on dildo. She began to ride it cowgirl style.

put everything out of her mind and just tried to focus on the dildo moving back and forth in her ass. She thought of what it must look like. She thought of what it might look like if Uncle Zeb walked into the room and saw it. That finally clicked it all in for her. He was an older man, not her relative obviously but a figure of smartness and authority. Nona would have liked to see his expression, hear his opinion. Maybe he would call her a dirty, misguided girl. Maybe he would tell he she had much to learn about the world, and that she should not be so foolish as to give up on men. He would frown as he looked at her ass getting filled by a lesbian dildo. His eyebrows would furrow. He wouldn't get angry, but he would not approve.

"Baby, the more you fuck my dildo, the more it feels like a part of my body!" Lona cried. "I bet if you keep fucking it, it'll turn into a real cock! My real cock! I'll be your guy! Your only guy!"

Such ideas, thought Nona, keeping silent and just enjoying the ride. Lona kept thrusting upward with the dildo into her ass. Why is she so fixated on my ass? But that was the way Lona was. She was an ass-girl, always grabbing Nona when she walked around the apartment, even when they were still going out with their boyfriends.

Nona was starting to realize that Lona was basically gay. That was okay for Lona, but Nona wasn't sure that was her own personal program. She loved the strap-on because it reminded her of dick, but she couldn't imagine going through life without at a few more miles of dick inside her. Nona tried to put these thoughts out of her mind and concentrate on getting fucked, but she knew their differences would lead to a confrontation sometime. She wasn't going to be trapped in the crack forever.

"Ride my dick, you sweet Nona," said Lona, rubbing Nona's shaved pussy at the same time. "I can't get enough of this ass. I'm going to sleep with my strap-on in you. How would you like that?"

Nona liked that idea as a fantasy. In fact, she'd often thought of going to sleep with a man's dick in her ass, and had tried it with her ex-boyfriend, but it didn't work out. She didn't think a strap-on sounded like it would feel so good to wake up with.

Nona's problem was that she thought about things too much. That was one reason she liked Lona, because she was more action-oriented. Nona

He would tell Nona she was a very dirty girl indeed, doing very nasty things with a nasty toy in her nasty ass...

"Uhhhhh!" Nona suddenly cried, feeling Lona's hands holding her tightly around the waist as she exploded on the thrusting strap-on. It was the second time she'd cum tonight. But when would Lona cum?

"Watch me, girl, watch me," said Lona, taking the dildo out of Nona's ass and laying on her back. She began to stroke the plastic cock as if it were the real thing. "Look at me, Nona, I'm jacking my cock. I've been lying to you—I'm really a boy. Really a boy. Really, really, truly a boy! See my dick and love it!" And suddenly, as if the stroking of plastic had a physical effect on Lona's body, she came, twisting and screaming and panting. Came from her own words, from her own fantasy of herself with a cock.

"Wow, Lona," said Nona. "You really wish you had one of those."

"I guess I do sometimes."

"Sometimes?"

"Most times. Well, whatever. Now go to the kitchen and get me a Coke."

Zeb Morehaus timed his second orgasm perfectly, and shot his load while Nona exploded for her second time. From the sound of it, he was sure she'd gotten nailed by that strap-on. That definitely seemed to be Lona's modus operandi.

These young girls today. He knew he should try to guide them to find fulfillment and knowledge, but it was useless. They had to find their own way. And what a great show they gave, when you just let them do their own thing!

Karlei and Adrienne get along fine on their own!

**PERSONAL PARTY TIME!**

26403

***It's exciting to feel another girl's head thrusting a dildo into your wet pussy!***

“What shall we do tonight?” beautiful roommates Karlei and Adrienne say to each other. “We have the whole big city waiting for us to show up at the clubs and bars. But you know what? The best party is the one we have together!”

Sooner do they decide to stay in for the evening, than brunette Adrienne is pouring the champagne and handing a glass to Karlei. As they sip the bubbly, it becomes warm in the room: warm with the anticipation of their mutual pleasures.

Adrienne loves to watch Karlei loosen up, whether she's loosening her cute shorts, her inhibitions, or both. And Karlei is quick to reach for the dildos, savoring the thrill of inserting them into Adrienne's deep pussy while licking her at the same time.

These girls are fluid in their passions. They're well-matched because they never want to settle into a rut. Sure, they play with toys a lot; but that doesn't mean they don't suck each other's nipples too, or even lick each other's feet.

Karlei most enjoys watching Adrienne lick her. She loves the sensation of putting her hand on Adrienne's dark hair and holding Adrienne's face in place as she works her tongue all over Karlei's pussy. Sometimes Karlei is surprised by her strong feeling of dominance, wanting to keep Adrienne on her knees for a long while, lapping obediently.

Indeed, Karlei has trained Adrienne well, and she gets Adrienne to hold the dildo in her mouth and fuck her that way to orgasm. Karlei's seen pictures of dildo harnesses for faces, but she doesn't know if she'd like Adrienne to wear one because that would cover up a lot of Adrienne's head, and she likes to look down and see Adrienne's loveliness as Adrienne face-fucks her with the toy.

Of course, Karlei returns the favor, thrusting the toy into Adrienne's pussy until she climaxes too. Good friends always look out for each other's orgasms! And that's another reason why, more often than not, “personal party time” is our heroines' choice of entertainment.

## HER FIRST LESBIAN SEX 19

28172

**STARRING:** Jana Jordan, Madelyn Marie, Alexa Benson, Kina Kai, Sammie Rhodes, Nikki Rhodes, Celeste Star, Lisa Neils, Carli Banks, Brooke Haven

**DIRECTED BY:** Rico Montana and Johnny Crunch

**AVAILABLE FROM:** Pink Visual

**RUNNING TIME:** 102 Minutes

**HEAT INDEX:** XXXXX

You can never have enough sex-starved girls in the cast of a porno, and chapter 19 of the *Her First Lesbian Sex* series has stacked the deck with scorching slit lickers. This insures maximum stroke value for what is easily one of the hottest all-girl fuck flicks of the year. Sultry tacos are tempted with a wide variety of dildos and vibrators with some good old fashioned finger-banging and cunnilingus in two-girl and three-girl set-ups.

Sammie picks up Alexa on the street and talks her back to her place. No sooner are Alexa's clothes on the floor before Sammie is munching at her box and putting hard rubber to her crotch, giving Alexa the fucking she so badly wants.

Lisa, Carli and Brooke's slumber party turns into a three-way twat exploration. These girls take a more gentle and sensual approach than the preceding hardcore boff. The tight shots of imitation pecker being plugged into shaved poonani offer a view where you can almost smell the girl cream as it seeps from each sopping cave.

The following three-way girl grope stars Nika, Kina and Celeste, who meet "by chance" in the park and decide to get reacquainted by heading indoors and letting each girl submit to the voracious tongues of the others.

The final pairing features lusty lesbos Jana and Madelyn, who dive head first into their lovers' fuck holes and don't come up for air until each has been driven over the edge into orgasmic euphoria.

**STARRING:** Bree Olson, Alexis Ford, Sammie Rhodes, Celeste Star, Asa Akira, London Keyes, April O'Neil, Ashlyn Rae  
**DIRECTED BY:** Andre Madness  
**AVAILABLE FROM:** Adam & Eve  
**RUNNING TIME:** 160 Minutes

The union of two of the hottest whores to have ever been Adam & Eve contract stars was long over due...so Ms. Olson and Ms. Ford eagerly jump right into the action in the very first scene. The girls open the session with some deep, hot kissing. Mouths soon find their way to hard nipples before tongues and lips finally land on wet pink.

Ever the aggressor, Bree shoves her face between Alexis' ass cheeks and tongue fucks her snatch. Bree then lays on her back and offers her costar a comfortable seat on her face so she can get Alexis off. Once sated, Alexis reciprocates in a big way by working her tongue with long, hard strokes over Bree's buttohole and pussy.

Sammie joins Bree in scene two and, in a rare turn of events, it's Olson who allows herself to be dominated with a wicked servicing from her fellow blonde slut. Sammie goes ballistic on Bree's peach with her fingers and mouth, bringing Bree to a sweltering pussy-dripping climax.

Alexis is then paired of with smut veteran Celeste Star. This is the first scene of the group that employs sex toys, and Celeste makes Alexis warm and wet with a huge vibrating wand. Celeste is also a well-established pussy chomper, and she pushes Alexis to her most volatile on-camera orgasm to date.

Scene four is an twat meet between Asa Akira and the ultra-filthy London Keyes. With both pussies primed, London plunges a two-headed rubber dong into Asa's cootch while sucking on the exposed end. The girls then share the toy, each taking half into her pussy, before making their beavers collide.

April and Ashlyn take us home with a dual labia basting that as hot any other pairing here. Both girls are solid "10s" and their sensual lick and suck-fest is certain to drive the last drop of cream from your sack.—**Ace Rudin**

# Face Sitting Femmes

**They don't just give head, they're playing footsie!**

*Superfreaks know  
how to get another  
girl off with just  
their tootsies!*

Nicole and Aaliyah know how to satisfy one another from head to toe.

After a hard night of drinking and clubbing at a Las Vegas retreat, these blondes have shaken off all the male attention they've gotten to bury their heads in each other's sweet pink centers. They like to be hit on. They love to see men's heads swivel to look at their pert titties and firm bottoms as they prance on high heels through the smoky disco.

But at the end of the evening, they find it's morning and they are both aching to get off. There's that luxurious room they've been given for a night just for being beautiful, gracing the trendy club and staying at the new hotel. But bad girls would rather do their thing in public...that's why these beauties went at it in a empty hotel banquet room!

When Nicole saw the Southern style bench and fountain, she giggled and persuaded Aaliyah to run up to their room, fetch their bikinis and toys, then come down for a sizzling scene. The two blondes giggled as they dove into each other's damp dents, tongues wiggling and wagging their way to orgasms, wondering all the while who would enter the secluded banquet hall and interrupt their fun.

Aaliyah's tongue was firm as she penetrated her pal's pink. Nicole's wet pudenda parted easily for her girlfriend's licker; face sitting was her favorite position. From that vantage, Nicole could peek at Aaliyah's lovely face, eyes scrunched and nose wrinkled from her tongue's deep probing of her pal's love canal.

But these beauties didn't neglect the feet before giving each other such delicious head. Besides their *tete a tete* they went toe to toe; Nicole even slipped her size sevens under Aaliyah's bikini to give her nubbin' some rubbing with her tootsies.

Girls without boys often resort to toys and these blondes are no exception. For girlfriends who share just about everything (meals, high heels and men) mutual orgasms are the way they want to get off!

*These two blondes are packing it into a pink parking spot!*

# Kayden Kross

## This XXX Stunner Is A Lover and A Writer

By Tony Sprackle

**LOS ANGELES** — Kayden Kross is one of adult entertainment's rare jewels — a superstar performer who is a once-in-a-generation combination of beauty and intellect.

Nowadays Kross is one of Digital Playground's contract exclusives as her career continues on its upward trajectory. At press time last fall, Kross had just finished starring in one of the most high-profile movies of 2010, the firefighter epic "Body Heat," which was released to critical acclaim and likely to place Kross in contention for several industry accolades in early 2011.

The 25-year-old's career has been more about quality than quantity. In three-plus years of full-time performing, she still has less than 50 film credits on her resume; yet Kross clearly has established herself as one of the elite porn stars working today.

The native of Sacramento began doing adult movies in late 2006 when she signed an exclusive contract with heavyweight studio Vivid Entertainment Group. But prior to that, Kross' likeness was already adorning billboards around Southern California as the face of Larry Flynt's Hustler Casino in Gardena, California. She parlayed that one-year Vivid contract into an exclusive deal with Adam & Eve Pictures, where she stayed until Jan. 1, 2010. Her three contracts with three different major studios in three years are also unique—no other starlet in adult movie history has managed such an exclusive deal trifecta.

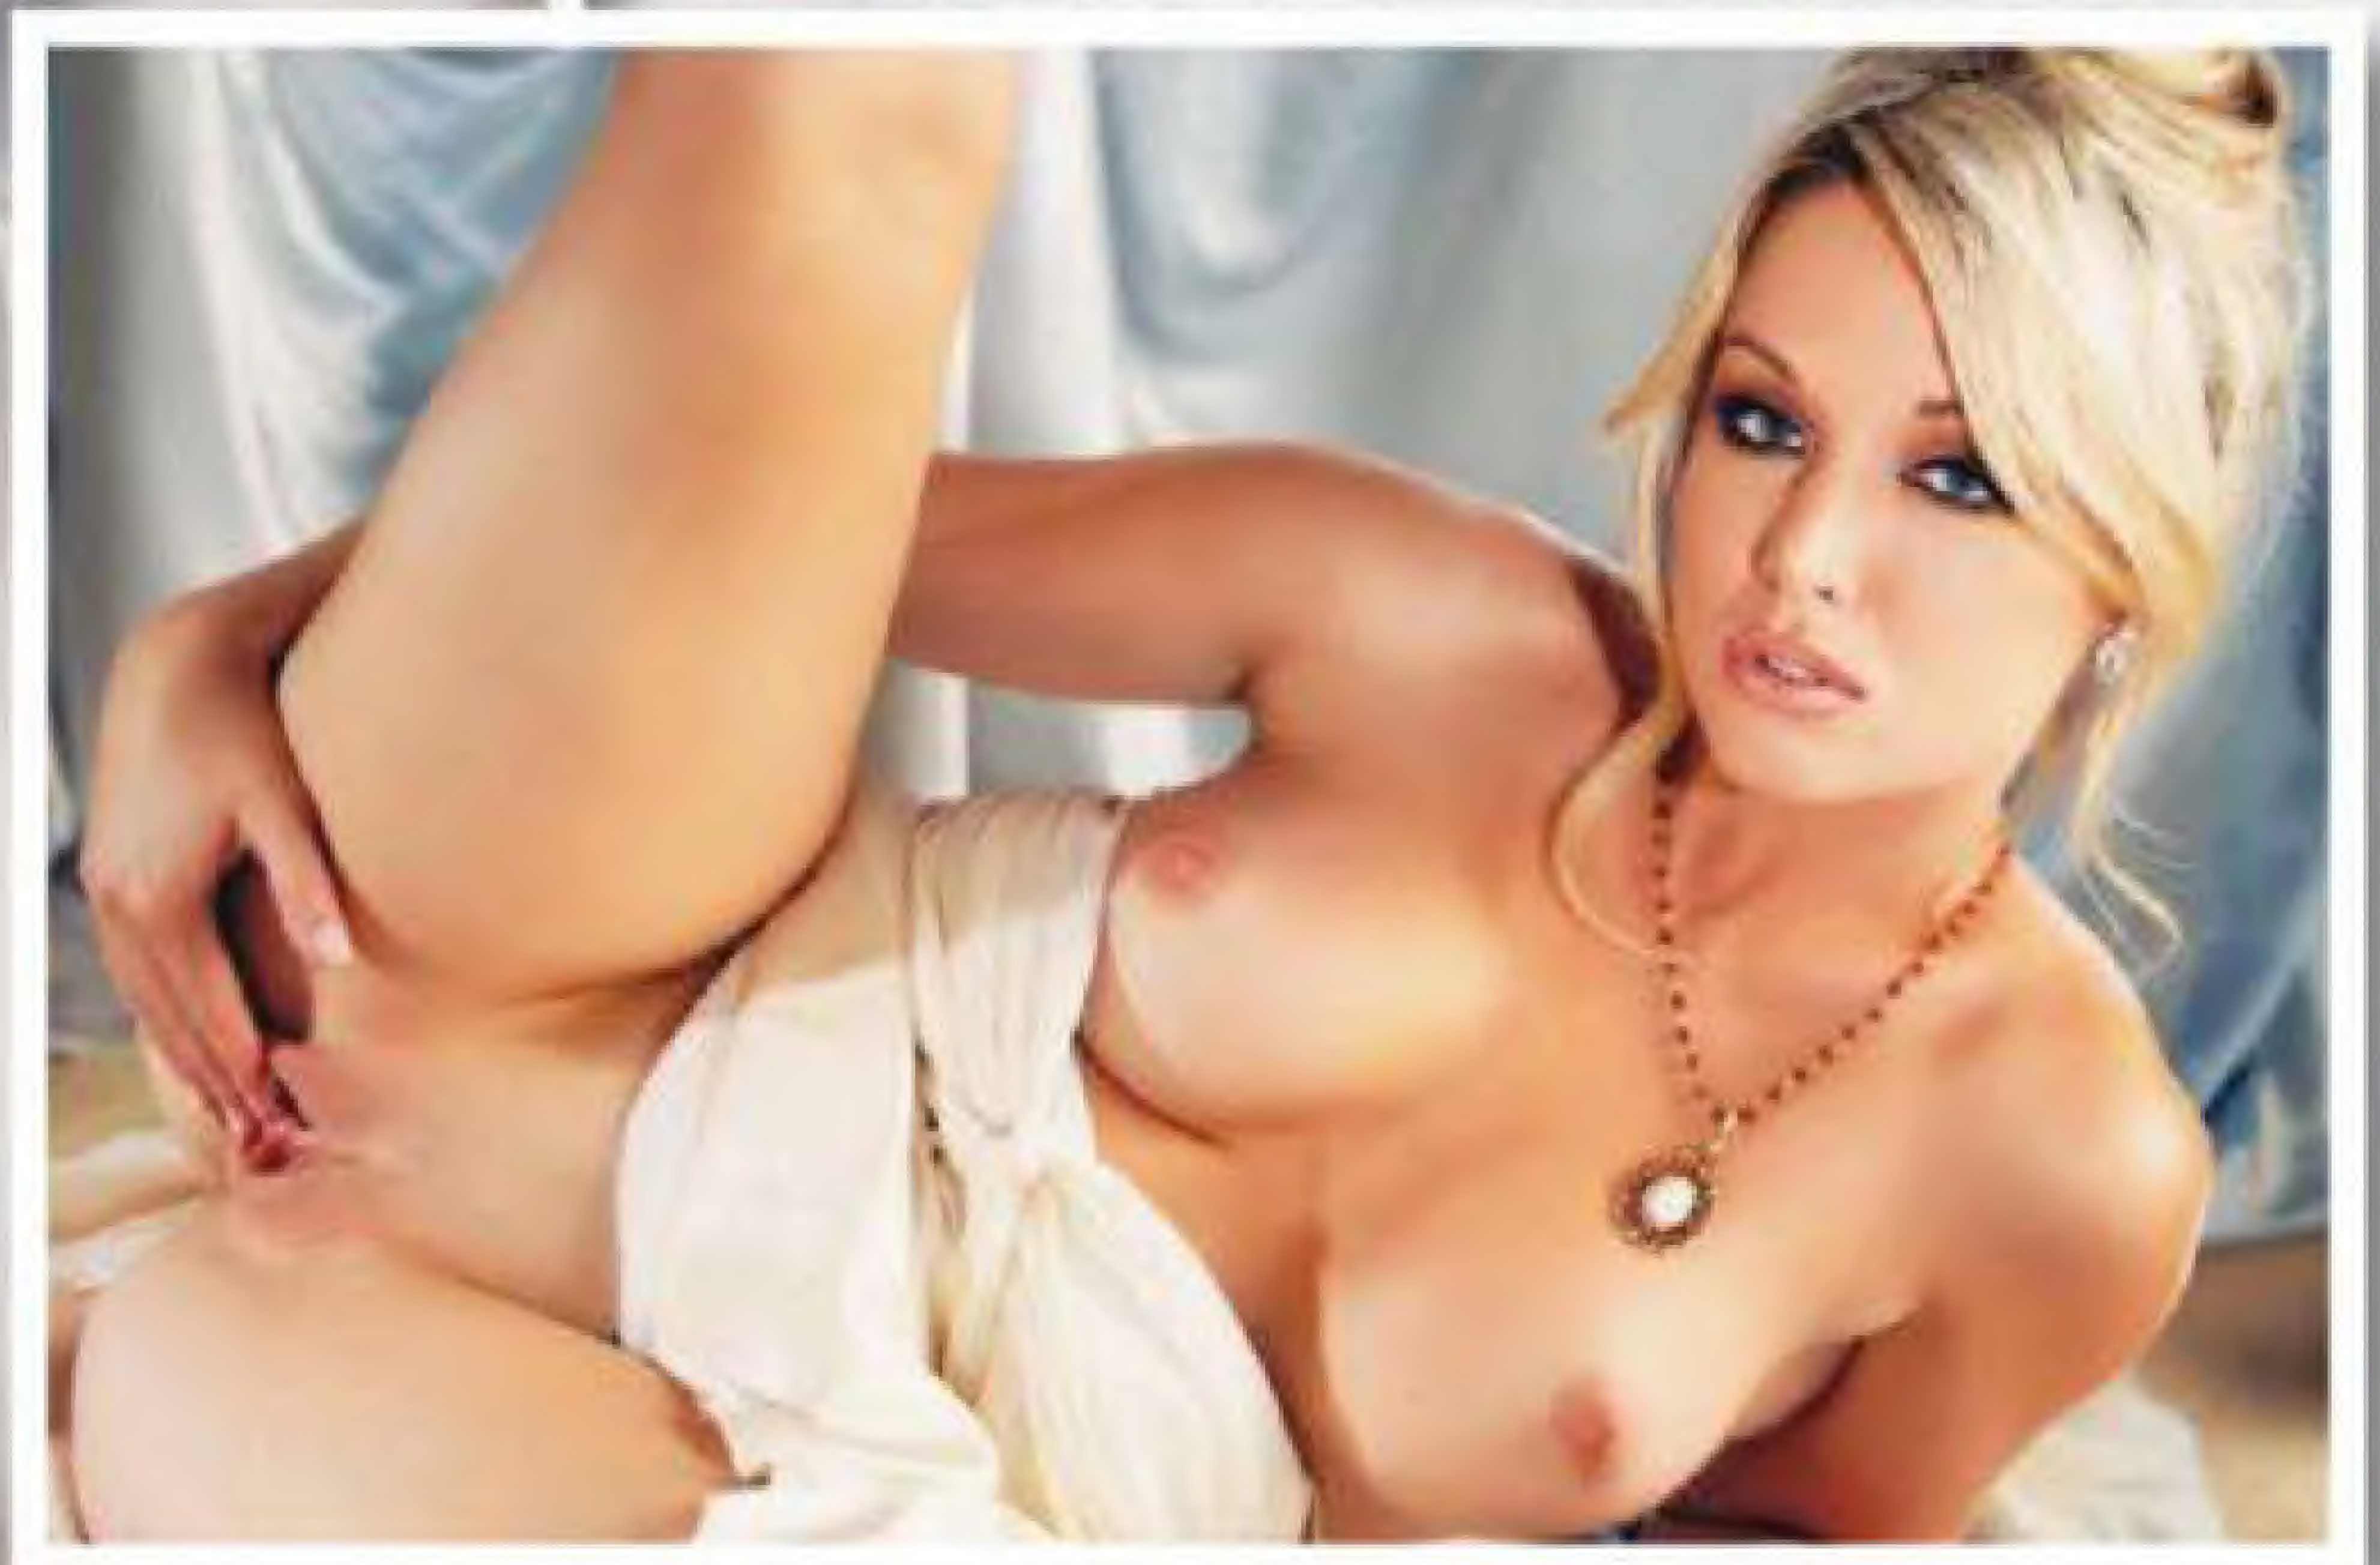

But Kross' work onscreen is just part of what makes her special. The voracious reader is also among the most articulate adult stars one will ever meet, not to mention a skilled and passionate writer. She writes a regular blog at Unkrossed.com, which is an extension of her online brand ClubKayden.com and part of the Brand Danger network of sites. Kross' quick wit, attention to detail and amazing recall is on display at Unkrossed, where she writes about everything from her experiences on the road to her thoughts on sex.

One entry from Aug. 23, 2010, titled "Relentless" offered a glimpse into some of the places she's able to go with her writing. "Don't ask me what I want, I want dominant. I don't want to be asked, I want to be made. I want to be told and pulled throat first down on your cock, hair in your fists, eyes watering and sated," she wrote. "I want to be brought back up for air, briefly, back against the wall, back in your line of sight, bowing, sweating, begging. I want to be held up by the neck, fingers pressed against my lips sweetly and falsely. *Shhhhh*. I want eye contact that shuts me down. ..."

And that's just the first paragraph.

In this exclusive interview for *Best of Club*, Kross talks more about her love for the written word, her idea of a romantic evening and the fondest memory of her adult film career.

**If you had to get a job outside of porn, what would you do?**

I would be a writer.

**Is there any particular type of writing you'd like to do?**

I want to do everything. Obviously, I'm interested in screenwriting. I love writing my blog (Unkrossed.com) and if they paid me, that would be better. I would love to do interviews, short stories. I eventually want to do a novel. I'm going to a writer's workshop in October, specific to working on this one idea I have. So that would be my thing.

**What are some previous jobs you've had, way before porn?**

Oh, God. Alright. My first official job that I paid taxes on, I was 15 years old. It was at McDonalds. I was the drive-thru girl. And then I was the drive-thru girl at Taco Bell for a little while at 16.

At 17, I had a couple jobs. I had one at Petsmart. I was a dog-washer. And then I worked at a different pet store and that was probably my favorite. I worked on a race-track for a day. I ended up taking home one of the horses and I was afraid to go back because I thought they'd change their mind about the horse. So that was fun. And then I got a job at Denny's, I was a waitress there. Then I turned 18 and the next thing I knew I was a stripper.

**How did you spend your first porn paycheck?**

You know it wasn't a big thing for me because I had been dancing for so long. So it wasn't like I splurged. I probably just cashed it and saved it. I'm a saver. I'm a hardcore saver. Still am.

**What is your favorite mainstream movie?**

Favorite right now? Jesus, I really liked *Hard Candy*. I just saw it recently and I loved *Hard Candy*. *Natural Born Killers* is another one I can't get enough of. I've seen it probably 20 times. I want to see *Inception* and I want to see *Machete*, and I have a feeling I'll love them both. I love *The Wrestler*. The parallels with porn and that movie are just staggeringly close. All they would have to do is make Mickey Rourke Evan Stone and make the wrestling ring a porn set and it's the same movie.

**Who is your favorite actor and actress?**

Ellen Page is one of my favorite actresses to watch. Johnny Depp is another. Very few actors or actresses,

23400

24017

when I see them on film, very few of them act a character so well that I just want to see them do anything...wash dishes. They put so much into that character and create such a unique thing in that character that I can't look away. Most other actors and actresses are just trying to look pretty and deliver their lines convincingly. Where I think Johnny Depp, Daniel Day Lewis does it, Ellen Page... there's something about them. They bring so much depth to a character. It's fun to watch, like a stage show. It's really interesting.

**Have you ever had public sex and if so, where did you do it?**

Yes. I think my favorite story there was with [porn star Erik] Everhard actually. We were at this nightclub after something. I think it was an adult-something. Because we were on the dance floor and rather than dancing, he lifted the back of my skirt up and we started doing other stuff. But we were moving like we were dancing still. And right

then three or four people came around the corner with cameras and started taking pictures of us. They didn't know what we were doing. They were just taking pictures of us. So we smiled and posed, and we couldn't pull away obviously, that would've given it all away. So we just stayed there and just smiled. And then they left and we continued.

**What traits in a guy do you find attractive?**

I like dominance more than anything. And it's not the dominance that most people think where there's some big, strong, muscular man on a Harley. I mean mental dominance. I like someone who can get me so wrapped around them that I am not in charge at all. I want to feel like I have no control over myself with that person. I want that kind of rush when I get to that person. Other traits? I like people who back up what they say. That's really important to me. So many people talk, especially in LA. I like people who are aggressive and beeline it to what they want. So I

like directness. Direct in everything. For example, the other day I asked someone if he was sleeping with someone. I wasn't asking for the reason he thought I was. And he said, 'No,' following it up with, 'But I would.' Like just clarifying that I'm not lying to you... I would do it, just not yet. And that kind of directness I really appreciate. It takes a lot of the guesswork out.

**What is your idea of a romantic evening?**

I think when you're just able to be alone with someone without distractions. And you really want to be in that place. When you're somewhere without distractions and there's nowhere else in the world you'd rather be, no other person in the world you'd rather be with, I think that's a romantic evening.

**What's your favorite part of being in adult now?**

I think right now it's the experiences I know I couldn't have anywhere else. It's the traveling. I just got back from Romania. I'm going to be going to South Africa. From there I'm going to be going to Berlin and Australia. Through it all, I'm getting to shoot these really interesting movies. I'm being exposed to parts of mainstream now. I didn't expect any of this. And

there are so many parts of this world that I didn't know existed. Now I'm fully in it and every day it's more exciting to be here.

**With that, can you point to one singular thing that is your most memorable moment?**

Hosting [the AVN Awards in January 2010 at the Palms in Vegas]. When you come out on a stage like that to a crowd like that, in a dress like that, for a station (Showtime) like that. I mean you don't top that in your life. How many people can relate to that story? When you're at the top of your

industry, in front of the world essentially. That's unbeatable, it really is. Where do you go from there, in the industry? I remember when I just walked out on stage for the first time, I was like 'Holy cow, this is like the real deal. It doesn't get better than this. So enjoy it.'

**What's something that you can't live without?**

Books. And lotions. [laughs]

**What are you thankful for right now?**

Probably going back to the opportunities. It's so different. I'm a person that gets bored easily so it fits well with me.

**What is something about yourself you wish more people knew?**

I wish people knew where I was coming from.

Jo takes whatever she can get from Kyla!

**GIMME ALL YOU GOT!**

When her tiny-dicked sugar  
daddy is away, Jo likes to  
go lezzie!

Auburn-haired gold digger Jo had recently hooked up with sixtyish Hugo, an antique bookseller whose house was filled with volumes of every description. Jo didn't like to read much herself but that didn't matter to Hugo, who felt he was recapturing his youth every time he put aside one of his beloved books to stick his cock in her and spurt his load in five minutes or less.

Being involved with Hugo didn't prevent Jo from seeing her lesbian girlfriend, raven-tressed Kyla. Jo frequently had Kyla over when her bookman was out of town on buying trips, when he went to auctions to purchase estates of antique volumes. While Hugo was immersing himself in dusty old paper, Jo and Kyla would luxuriate in his beautiful house, several steps up from the crappy apartments both girls were used to.

Jo didn't consider herself bisexual, although she had sex with both Hugo and Kyla; she considered herself BUYsexual, in that she only had sex with people who bought or gave her things. While Hugo gave her a lavish new lifestyle, Kyla had given her things, too: the occasional hamburger, mascara, a couple of pairs of pantyhose, a bucket of fried chicken. Basically, Jo was a classic mooch, having sex with people who not only gave her orgasms but furnished her with things she needed, small or large. Both Hugo and Kyla fell into that category.

Kyla, who never had a pot to piss in herself, was glad to give Jo whatever small things she'd needed, back in the days when Jo was still as poor as she. But now what she gave best to Jo were orgasms, with her tongue, her fingers, her toys; and she gave her packs of chewing gum too. Jo just hoped Hugo never found out about her playing around on the side, because if he got mad and kicked her out, she sure would miss living in such a gorgeous house.

Good orgasms were always available to Jo, but a nice living situation was hard to find. Such is the life of a buysexual!

# WHEN BLONDES COLLIDE!

26141

***Behold blond nymphs  
playing with each  
other in daydreams  
made flesh!***

When you get two porn queens like Jesse Jane and Riley Steele together, you are indeed mixing with the proper ingredients for carnal combustion. Both Digital Playground contract stars, these two stunning blondes complement each other with their bodies, their faces, their haughty auras, and their hair color. But most importantly, they work beautifully together projecting a daydream of lesbian lust that is inspiring in its chiseled beauty.

Yes, chiseled! Chiseled like sculpture in the galleries of our minds. Because these two females, whether feeling each other through their taut undergarments or playing with their naked pussies once those garments have been wisely discarded, seem to be carved with a surreal clarity out of the stuff of a thousand beer-drenched dreams. For, laying back on a couch, what red-blooded male hasn't taken another swig of his brew and thought, "If only I had two blondes on my dick right now. But first they'd have to give me a show. A nice long show, and I'd get my cock ready for them!"

In such dreams are often blondes like Jesse and Riley, colliding in their heated cunnilingus as they stab fingers deep into their drenched slots, exploring assholes and touching tongues in a flirty way that makes girl-to-girl kissing seem like such a naughty thing to do.

In such dreams, as they caress each other on the sheets, cramming their twats with toys that seem to spring into their hands out of nowhere, these girls engage our minds and balls in a spectacle that happily leads to a very fine thing: the stiffening of our shafts, and the frenzied stoking and explosion of our fluids.

Indeed, at the frenzied peak of their clinch, such colliding porn blondes don't even seem distinguishable from each other—and that's the intended point. They merge into myth not unlike the unnamed nymphs of ancient Greek mythology who romped with the sensual god Pan in the fabled forests of utopian Arcady—timeless female icons of our dreams, and the avatars of our loads!

***These sensual creatures  
mirror our deepest male  
fantasies of women  
untamed!***

***This is not just a  
pictorial...but a  
peek at the vistas  
of vaginal utopia!***

Candy and Alex owed this experience to themselves!

# OPERATION PUSSY-EATING!

*What a lovely  
new sensation—  
tasting the  
sweetness  
of another  
girl's skin!*

What exactly were blond Candy and brunette Alex seeking when they decided to hook up together? Lesbianism had never especially appealed to either of them, but with the kind of pressure American women live under to experience life to the fullest in this age of feminism triumphant, they started to feel they owed it to themselves to give it a try. "Operation Pussy-Eating" may seem like a half-hearted motivation for sucking titty or lapping clitty, but once they actually tried it their viewpoint changed radically.

They started to appreciate themselves and even men in a deeper way. As Candy took off Alex's bra and felt up her boobs, she started to see why guys found the first time with a girl so exciting. It was a thrill to anticipate the touch of an unfamiliar bosom! And as Alex lowered Candy's panties and played with her body, she got a tingle of sensual narcissism, like gazing into a mirror image that you can reach out and touch, a sensation which can only happen when one beautiful girl caresses another. Maybe gay guys feel something like that too, we have no idea, but we'll leave that discussion as a topic for another magazine.

Candy and Alex discussed a curious thing after they finished up with their first clinch. They were both conscious in their minds of an invisible audience of men, cheering them on and stroking their cocks in approval. Indeed, with our culture's fascination with lesbianism, can many lesbians not feel this occasionally, that they are in a sense living out the fantasies of a masculine population schooled in the idea of the inevitability of females having erotic encounters with each other?

No act of sex exists in a vacuum, and even as Candy and Alex exploded on each other's mouths and fingers, not to mention on that handy toy, they felt they were part of a cultural movement to encourage more women to eat pussy for the delight of dudes across the land!

***Candy and Alex tried lesbianism  
just for the experience,  
but quickly embraced its pink  
wet pleasures!***

*There's nothing  
quite like sitting  
your pussy on  
the face of  
another girl and  
getting hot while  
you look down at  
her jiggly tits  
and slurpy slit!*

One girl's journey into lesbianism!

# GOODBYE COCK, HELLO PUSSY!

*Blonde Ariel is intoxicated with the taste of her more experienced lesbian pal, Suze.*

Who am I? thought Ariel. She looked at herself in the bathroom mirror before going back into the bedroom. Yes, I have dark blonde hair, and a good body, and sexy breasts...a decent education...a loving family...and am I a lesbian too? I never thought I would ever want to sleep with another woman, to feel her naked body next to mine, to suck her nipples and put a toy inside her pussy. I always took for granted that cock would be my thing.

Ariel didn't like how society seemed to make such a light thing out of lesbian flings between women. It wasn't light. It was still taboo in many minds, like hers. And yet once she gave into the urge, it overwhelmed her. Her dark-haired friend Suze had become the tip of a sexual addiction she couldn't satisfy.

The best time to make love with Suze was in the morning, when the light was so beautiful in the bedroom. The light made their actions seem a little less forbidden to Ariel, as if the sun and heaven were shining down on Ariel as she licked Suze's asshole and pussy, or received the same from Suze.

What Ariel liked the most was when she and Suze kissed deeply, lapping their tongues together, exchanging breath, their lips drenched with saliva and the scent of their hair mixing, while at the same time they played with toys. Vibrators! thought Ariel. She would never have figured they would have been such a big part of her erotic life, but now they were, because Suze really liked the feeling of plastic plunging into her pussy. Suze came really hard from that kind of action, and Ariel was getting pretty sold on it herself.

Well, thought Ariel as she went into the bedroom and Suze smiled in anticipation, life is what happens when you're making other plans. Goodbye cock, and hello pussy!

*The moans that Suze makes when a toy plunges into her pussy are sweet music to Ariel!*

*Ariel fought her  
lesbian urges for  
awhile, but now  
indulges them  
without restraint!*

Sandra and Bridget sample a few new dildos!

# DO BLONDES NEED MORE BEEF

26647

Beautiful blond Bridget wondered why Sandra was in such a hurry to see her. She liked Sandra and they'd fooled around a few times, but she wondered what was so urgent. But when Sandra got to Bridget's house, she certainly found out...

"Toys! Wonderful new toys!" exclaimed Bridget when she saw what Sandra had laid out on the bed. "You said you were going to get them and you did!"

"I'm a woman who keeps her word," said Sandra, taking down Bridget's top and sucking her titties while slipping her hand into Bridget's panties. Soon she was licking Bridget's hot clit and feeling the blonde's flowing juices.

"I have to try one of these on you," said Bridget. Sandra appreciated the vibrator buzzing in her clam, but she was more interested in wearing the new strap-on and cramming it in Bridget. She loved the feeling of thrusting her hips like a man and propelling the power of a phallus into a girl. Sometimes Sandra wished she could have a cock for just one day...one hour...

She put Bridget on her lap and told her to "ride me, cowgirl!" Bridget's big hot ass felt so good against Sandra's thighs. If only she could really shoot sperm all over it! And just the thought of such a thing gave Sandra her first orgasm of the afternoon.

When Sandra took off the strap-on, they both played for awhile with her pearls. Bridget loved sticking the pearls in Sandra's pussy like so many little love-beads. She licked Sandra's clit as she slowwwwwly pulled them out.

But they saved the best for last. Sandra had found a fantastic double-dong. To Bridget, there was nothing like being cuddled in Sandra's arms and kissing her while feeling a huge rubbery toy connecting both their pussies in rhythm and climax! Bridget had canceled other plans to hasten to Sandra's, but when she finished cumming for the third—or was it the fourth time?—she was glad she'd hurried over. Oh was she ever!

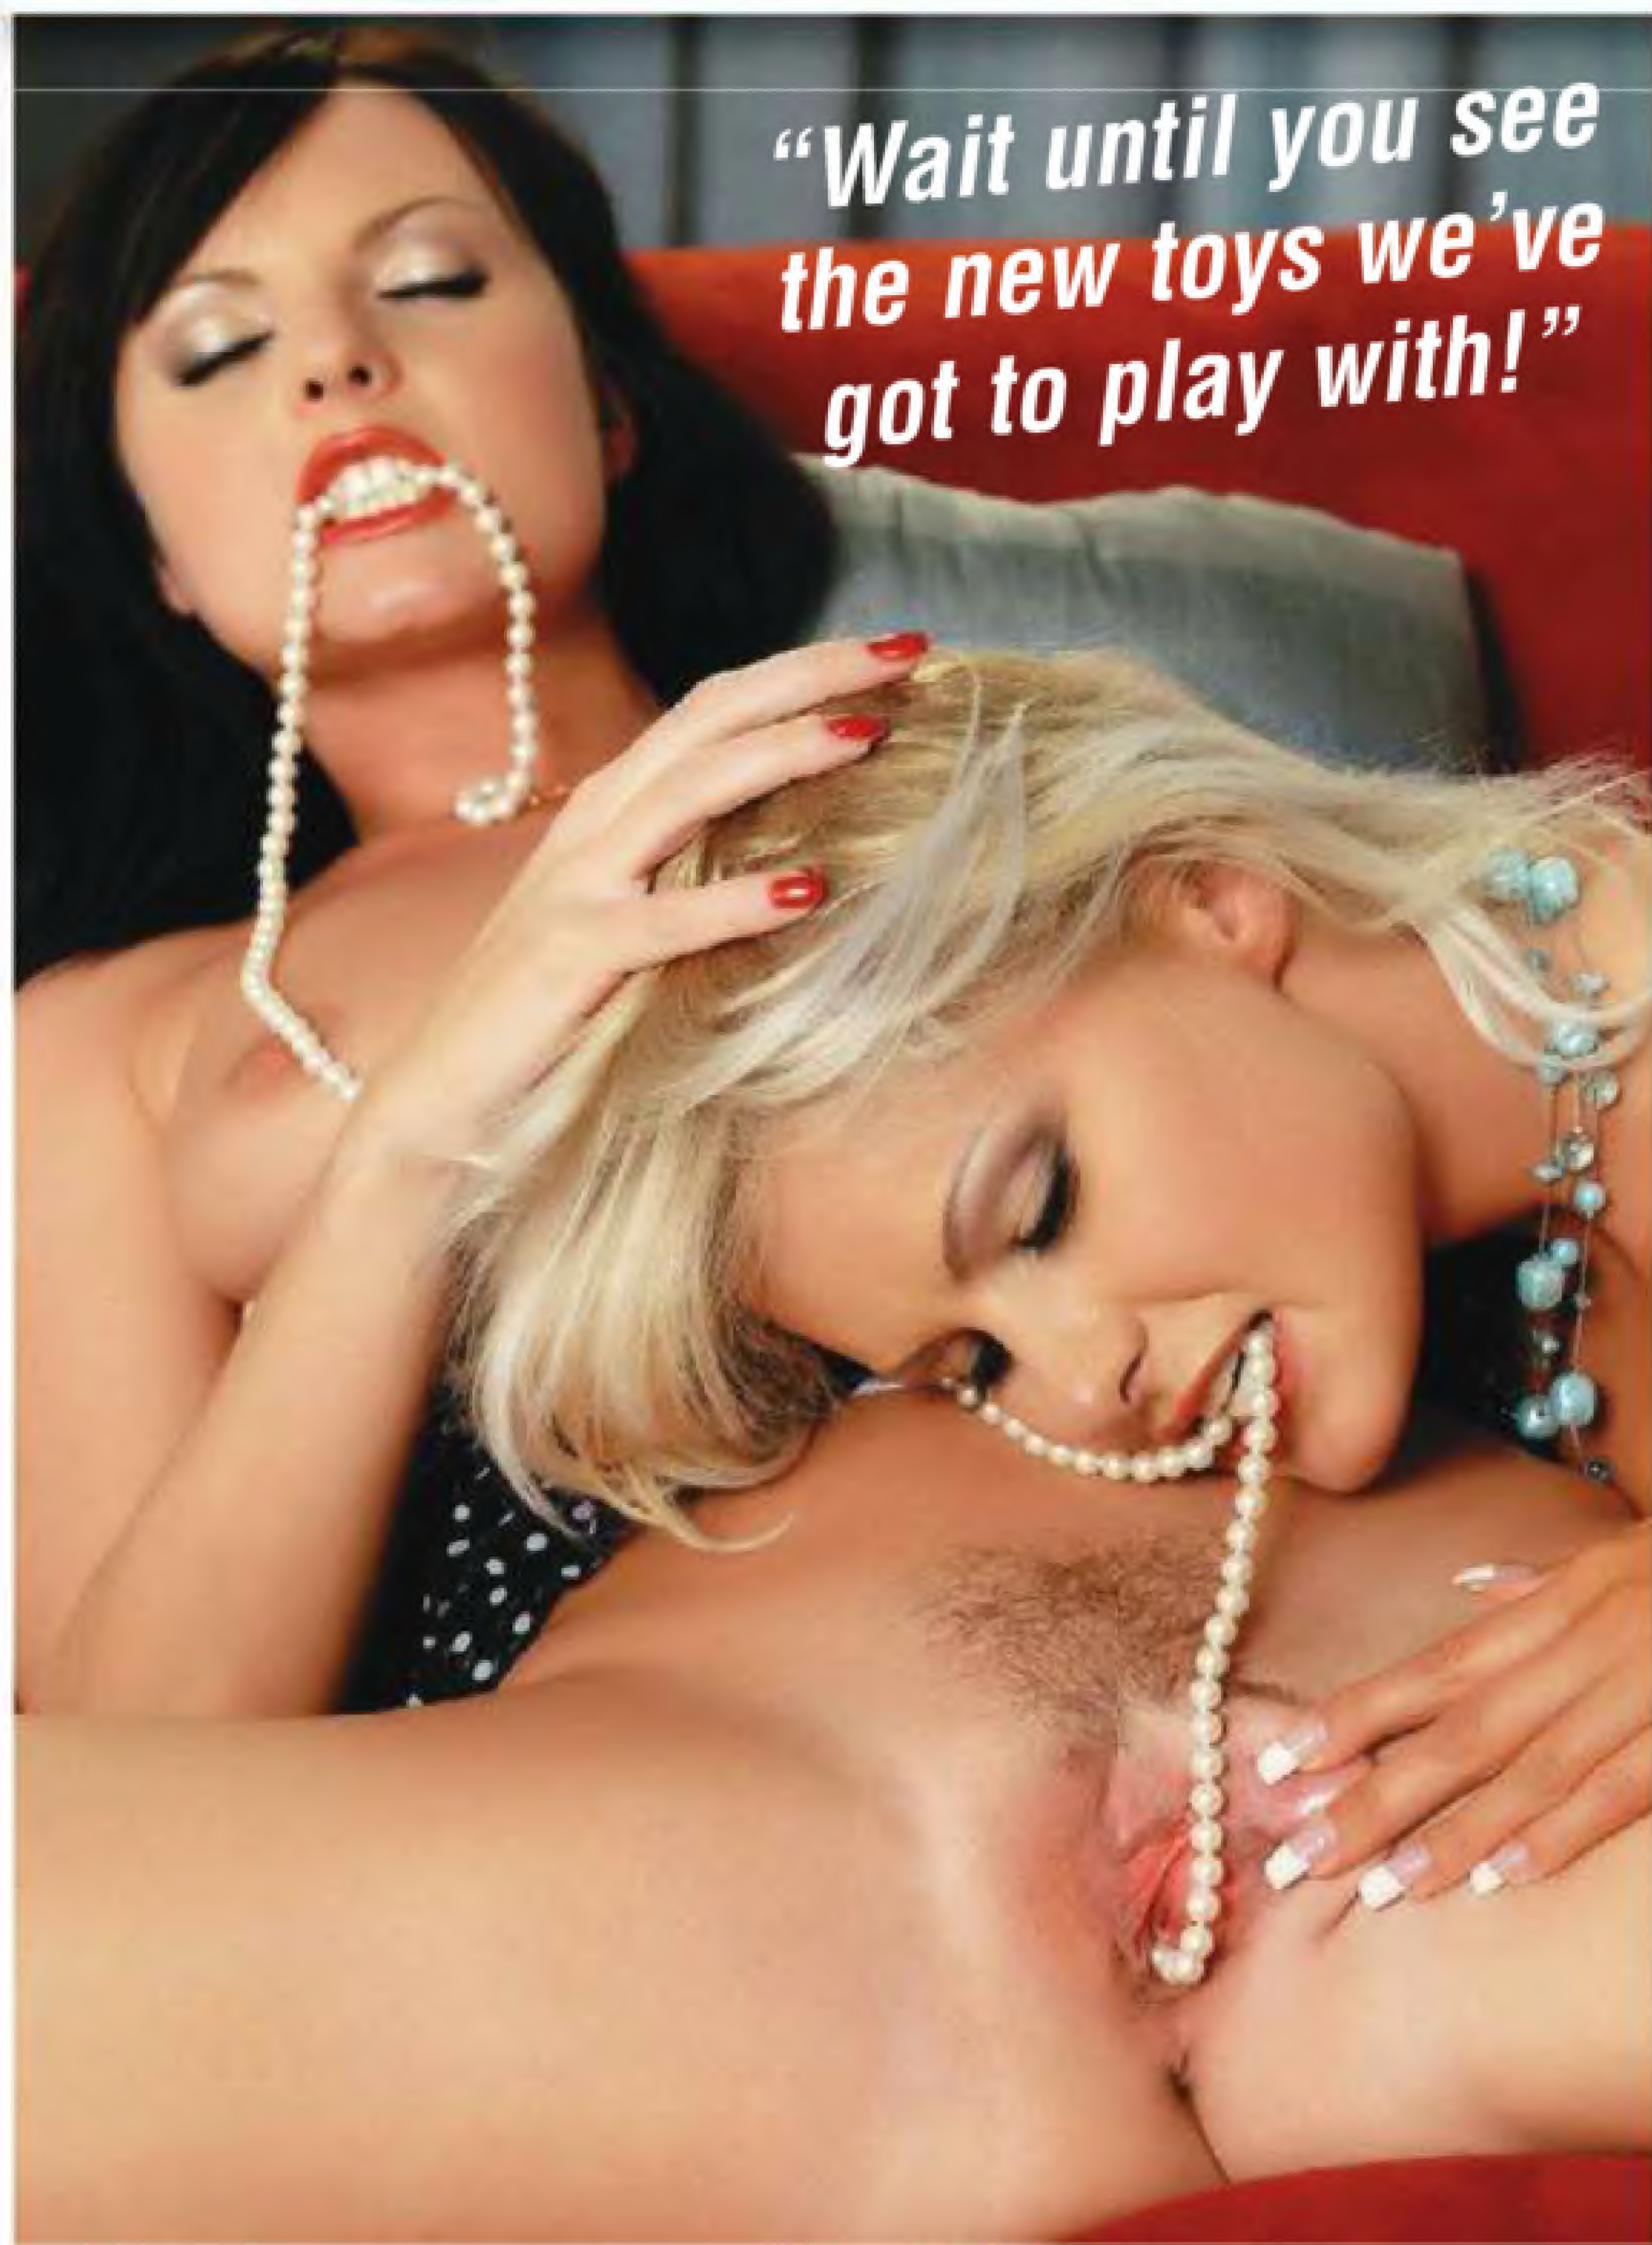

***“Ride me, Bridget,  
you cowgirl you!”***

*"Wait until you see  
the new toys we've  
got to play with!"*

*"I feel so close to you,  
Sandra, when we share  
a big rubber dong!"*
